John D. Bridgers

Head Coach and Athletic Director

John D. Bridgers, the friendly, red-headed Baylor University head football coach, whose teams have played considerably better than .500 ball in his five seasons at Baylor, in 1963 completed the first season of a new five-year Baylor contract, by taking his Bears to a splendid 7-3 season, a 6-1 Southwest Conference mark and second place behind only National Champion Texas, plus a stirring 14-7 Bluebonnet Bowl victory over huge Louisiana State. The Bridgers record is 30-23-0 for five Baylor seasons.

The Bears, renowned for their "Chinese Baptists" defensive platoon as much as for their great pro-style passing attack, held LSU, the Southeastern Conference rushing champions and 19 pounds heavier than the Bears in the line, to only four first downs, less than 100 yards rushing and only 13 yards passing.

Bridgers brought the pro-style offense to the Southwest, once known as the home of the forward pass but in recent years a strong advocate of power, conservative football. His 1963 Bears led the Conference in TOTAL offense with 335 yards per game, also led in pass offense.

Among his star pupils has been Quarterback Don Trull, national collegiate passing leader the past two seasons, new holder of all-time NCAA records for pass completions and pass yardages, twice winner of the Sammy Baugh Trophy going to the nation's outstanding collegiate passer.

Another of Bridgers' prize pupils, Halfback Ronnie Bull, like Trull an All-America, won the National Football League "Rookie of the Year" award in 1962, playing for the Chicago Bears, 1963 NFL Champions. Still another, Flanker Lawrence Elkins, also gained All-America first team honors, as a

super receiver during the 1963 season. Elkins set a new all-time NCAA record for number of passes caught in a single season.

John Bridgers is a native of Birmingham, Ala., played guard for Auburn in 1940-41-42. In middle of his senior year he entered World War II service as a private in the enlisted reserve, emerged from the European campaign as a Captain of artillery later serving in similar capacity in the Korean War.

Between wars he returned to Auburn to get his degree then received Auburn's scholarship key for highest four-year grade in the School of Business. Meanwhile, he served as Auburn "B" team coach and full-time instructor in Economics. On verge of entering Yale law school, he instead received offer to become line coach and track coach at Sewanee University, stayed there five years.

After the Korean War, he served four years at Johns Hopkins University as head coach in football and track, winning the Mason-Dixon Conference grid title there in 1956. Then he was coach of defensive guards and tackles two seasons for NFL Champion Baltimore Colts before becoming head coach and athletic director at Baylor.

Coach Bridgers is married to the former Frances Young of Florence, Ala. They have a daughter, Mrs. Cynthia Stewart; two sons, John Dixon, 12, and Don, 11 and granddaughters Jennifer Lynn Stewart and Penelope Stewart.

The 1964 Baylor

Another highly entertaining team, one that has a good chance to have a successful season, is foreseen by Head Coach John Bridgers for the 1964 Baylor Bears. If the annual spring Green and White game, a close, lively contest won 20-14 by the White squad, is any indication, the Bears will as usual be able to stir up quite a lot of offense, just as they did in leading the 1963 Southwest Conference in total offense with 335 yards per game.

"We will have two major problems this season," said Coach Bridgers, "First, the finding of a replacement for Don Trull, the national passing champion for the last two seasons, and Second, to find replacements for the many interior linemen we lost.

"We lost four of our top six tackles, retaining only defensive starter Arturo Delgado and offensive starter Fred Allen. We lost four of our top seven guards, returning Mickey Kennedy and our two offensive starters, Mike Bourland and Bill Ferguson.

"We lost our first two offensive centers, return the defensive starting center, Ernest Erickson.

"Thus, of our top 16 interior linemen, 10 are gone, which means some young linemen must come through. We will again use the offensive and defensive platoons that proved successful last season.

"As for replacing Trull, we feel that Roger Mike Marshall and Ronnie Wilson and all our young quarterbacks such as Terry Southall, Kenny Stockdale and Raymond Davila made much progress in spring training. It is, of course, unlikely that Marshall will be as good a passer as Trull. But he could be our best running quarterback ever and he has come a long way as a passer since he was our starting freshman quarterback in 1962. Wilson in the spring looked better every week, has gained in confidence. Southall, Stockdale and Davila all show definite promise."

At center, Sophomore Billy Burk, moved from guard, and Sophomore Calvin Kirkham, moved from fullback, both developed well, showed promise the final two weeks of the spring. Before that, redshirt Pete Menefee had a very good spring, ran No. 1 at offensive center before an ankle injury, followed by operation, knocked him out of the final half of spring drills.

Two redshirt Sophomores, Ralph Dunlap, who missed some spring drill time with injury, and Mike Jurecek, were ranked No. 1 on the defensive platoon in the spring, where two other redshirt Sophomores, Mike Thomas and Mike Dewlen, also developed well.

Looking extremely good at tackle was Sophomore Dwight Hood, who ran No. 1 alongside Delgado on the defensive platoon in the spring. On offense, Allen could be joined by veteran Bill Ferguson, who may be moved from guard, or by redshirt Sophomore Vance Smith.

The Bears return six offensive starters from their 1963 Bluebonnet Bowl Champions, the returnees including Allen at tackle, Bourland and Ferguson at guards, Ken Hodge at tight

end, Henry Pickett at running halfback and All-America Lawrence Elkins at flanking halfback.

With the fabulous Elkins returning, after setting an all-time NCAA receiving record of 70 catches, plus proven top receivers like Hodge and Pickett, the Bears again should have above-average receiving. The poised Marshall, although a redshirt Sophomore who has yet to play a down of varsity football, is a quick, strong-armed passer who could again give the Bruins their usual above-average passing. Harlan Lane, quick-handed receiver, a transfer from Navarro Junior College who redshirted last season, shows the promise of another James Ingram at split end on the offensive platoon.

Elkins was as unbelievable as ever as a receiver in the spring, catching seven or eight passes in every Saturday scrimmage from his new pitchers. Letterman Joe Jones could add depth behind Elkins, along with redshirt Sophomore Max Emfinger, Squadman Knox Pittard, redshirt Sophomore Tommy Smith and the frosh flash of 1963, Paul Becton, who missed a lot of spring work with an ankle injury.

Pickett again is backed by Letterman Clint Mitchell, who did a great job in the Bluebonnet Bowl. And Sophomores Billy Hayes and Richard Defee and redshirt Sophomore Bucky Bovenzi all had an excellent spring at the running halfback slot.

Veteran Fullback Tom Davies had his best spring, but had stiff competition from two other veterans, Gwinn Corley and Mike Wayne Marshall. Sophomore Randy Behringer, who looks like another good one, missed most of the spring drills with a leg injury.

The Bears return seven starters from their famed "Chinese Baptists" defensive platoon, which had a big hand in Baylor's splendid 7-3 season, 6-1 record in Southwest Conference play and Bluebonnet Bowl championship.

The defensive secondary returns intact from the 1963 "Chinese Baptists," starting with All-America candidate Bobby Maples, 1964 Co-Captain and one of the finest "Big Play" linebackers in Conference history. Erickson returns at the other linebacker post.

Also returning are the three deep defenders, Halfbacks Donnie Laurence and Eddie Whiddon and Safety Robert Christian.

Co-Captain James Rust, possibly the finest all-around end in the Conference, will be back at defensive end. He also is Baylor's top downfield blocker and a great receiver. On the "Chinese Baptists" he will team at defensive ends with redshirt Sophomore Willie Walker and be backed by veteran Ramsey Muniz.

Veteran defensive halfback Joe Gerald and Joe Jones add depth to the defensive deep trio. Jones was pushing Christian hard for his safety job in the spring.

Steady Eddie Whiddon is back to do the punting again, backed by Billy Hayes, a seige gun type up from the frosh.

The 1964 Bears will be quite young, but show enough promise in passing, running and defense to indicate a pretty good season if a quarterback and those young linemen come through.

Facts About Baylor

Baylor University, one of the oldest universities in Texas, enters its 120th year this September of 1964, continuing a service to higher education which began back in the days when Texas was a republic before it joined the Union.

The University was named for Judge Robert Emmet Bledsoe Baylor, one of its three founders. Baylor was founded in 1845 at Independence, Texas, under charter granted by the Republic of Texas, the University later moving to Waco.

Judge Baylor was a native of Kentucky and veteran of the War of 1812. He became a supreme court justice of the Republic of Texas, earlier had served in the Kentucky legislature.

The other founders were Rev. William M. Tryon, native of New York City, and Rev. James E. Huckins, native of New Hampshire. Rev. Tryon was chaplain of the Congress of the Republic of Texas. Rev. Huckins was principal, at Galveston, of Texas' first public school.

Baylor, a Baptist university, has students of many denominations, including Catholics, Episcopalians, Methodists, Presbyterians and more than 30 other denominations and faiths, many of which have their own campus clubs and take part in Baylor athletics and many other activities. The university's facilities and activities were racially integrated a year ago.

Baylor, with valuable aid of the Baylor-Waco Foundation and an Urban Renewal program, is adding steadily to its growth, has added over \$12 million in new buildings in a decade, will be adding still further in the next several years to its buildings and campus area.

The beautiful new Marrs McLean Science Building, Hankamer School of Business, New Hall Dormitory for Women, Penland Hall Dormitory for Men, Book Store Building are among more recent additions to the campus.

Others of recent construction include Morrison Constitution Hall for the Law School, the Music Building, Ruth Collins Dormitory for Women, Student Union Building, Armstrong Browning Library, Tidwell Bible Building, Allen and Dawson Dormitory for Women, D. K. Martin Hall Dormitory for Men and Speight-Jenkins married students' dormitory.

Baylor has 10 schools and colleges in Waco, Houston and Dallas. The College of Medicine is in Houston, the College of Dentistry and Graduate Research Institute in Dallas.

The College of Arts and Sciences, the Schools of Business, Law, Education, Music, Religion, Nursing and the Graduate School all are located on the main campus in Waco, growing city of 112,000 located in the Heart of Texas and looking to accelerated growth with greatly increased water supply assured for the near future.

The university has a strong, very active unit of the Air Force ROTC on its campus, active since World War II days.

Varsity and freshman home football games are played in lighted, 50,000-seat Baylor Stadium, sunken concrete bowl built in 1950. Playing surface is 26 feet below surrounding ground level. Curved sides make this one of the finest of all stadiums for watching a football game.

Basketball is played in 7,600-seat Heart O' Texas Coliseum. Baseball games are in 5,000-seat Dutton Park. Tennis is played on new concrete courts on campus and golf at Ridgewood Country Club.

Baylor's track team, Conference champions three of the past five springs, uses a new 5,200-seat track stadium with eight-lane quarter-mile red cinder track and 10-lane, 220-yard straightaway.

Athletic Staff

R. E. (Mr. Bill) Henderson—Asst. Athletic Director

R. E. (Mr. Bill) Henderson is a 29-year veteran of the Baylor athletic staff and a very busy man.

Mr. Bill came to Baylor in 1936, first as an assistant coach and freshman basketball coach. He had been line coach and basketball coach at Waco High School, and before that head coach in both sports at Temple High School.

He became Baylor's head basketball coach in 1941, served in that capacity for 18 seasons, with time out for World War II Army Air Force service. For many years he also served as assistant football coach and scout.

His teams won 200 varsity games in basketball, also won four Southwest Conference championships. His teams finished fourth or higher 12 times in the 18 seasons, were last only three times. His 1948 team still is the only Southwest Conference team ever to reach the NCAA championship finals.

Mr. Bill was President of the National Basketball Coaches Assn. in 1960-61, his final season. He also served the national body as vice president, as secretary and as treasurer.

He is now in his sixth year as Baylor's Asst. Athletic Director and Business Manager of Athletics. Mr. Bill is a 1925 graduate of Howard Payne College, where he was a four-sport letterman and team captain in football, basketball and baseball.

The Hendersons have a son, Dr. Bill Henderson, a daughter, Mrs. Tom Echols, and two granddaughters.

Floyd A (Uncle Jim) Crow—Stadium Director

Floyd A. (Uncle Jim) Crow is the beloved "elder statesman" of the Baylor athletic department, a kindly versatile man who is entering his 45th year as a member of the department, surely one of the longest tenures any man has ever served in any collegiate athletic department.

Uncle Jim is well and affectionably known and revered by every Baylor athlete for two generations, the always available and kindly friend of every youngster who has played on a Baylor athletic team over that span.

Uncle Jim was one of the finest football linemen ever produced in the Southwest. He is ranked as one of the all-time greats at Texas A&M University, where he was known as "Big Jim," a star tackle under fabled coach Uncle Charley Moran. Mr. Crow first was an All-Southern tackle in days before the Southwest Conference was formed, then in 1915 and 1916 was an All-Conference tackle.

The Waco native also played with the strong 90th Division team in the Army during World War I.

After war service, he joined the Baylor staff as line coach in 1920, served in that capacity for many years. He also won fame during those and later years as one of the finest of Southwest football scouts.

At Baylor he has coached baseball, tennis, swimming, in addition to football, and in many other important capacities.

Athletic Staff

Charles G (Chuck) Purvis—Chief Football Assistant

Chuck Purvis has already served Baylor as quarterback coach for six seasons, and in three of those seasons he has produced the NCAA champion passer. Baylor has had the NCAA champion more times than any other school in the nation.

Buddy Humphrey was an ordinary passer for two seasons before Coach Purvis joined the Baylor staff, then as a senior promptly won the 1958 national title.

Chuck's star pupil of 1962 and 1963, All-America Don Trull, won the national aerial crown both years, set three new all-time national records in 1963.

Ronnie Stanley seldom threw in high school, under Purvis became the Southwest's most prolific passer. Another Purvis pupil, Bobby Ply, hit a bowl game high of five touchdown passes in the Shrine North-South classic.

Chuck played prep football at Glenville, Ga. High School and Florida Military Academy, then played halfback at University of Illinois, graduating in 1940. Then he was head coach three years at Mattoon, Ill. high school. In the World War II Navy, he was assistant coach at Auburn, then at the Naval Academy, after service was Illinois back-field coach nine seasons before coming to Baylor.

Coach and Mrs. Purvis have two daughters, Mrs. Kay Walsh and Sally, 13, and two sons, Bob, 20, on the Baylor varsity, and Skippy, 15 and a new granddaughter.

Jack Little—Chief Offensive Coach

The 1964 football season will be the third for Coach Jack Little as member of the Baylor staff, his second as chief offensive coach.

One of the fine coaching jobs of the successful 1963 Baylor season was done by Coach Little, who took three squadmen who had played only 29 minutes among them, put them with two redshirt sophomore, and produced the finest pass-blocking interior line Baylor has known.

Coach Little was twice an All-America lineman while at Texas A&M University, gaining that honor in 1951 and 1952. The big tackle was Co-Captain of the 1952 Aggies, graduating there in 1953.

Born in Corpus Christi, Jack was a star high school player on fine teams there before playing at Texas A&M. From college he went to the Baltimore Colts, is still ranked as the top offensive tackle in Colt history.

He was line coach for seven seasons with very successful teams at Texas A&I College in Kingsville before coming to Baylor. He and Mrs. Little have two daughters, Deborah Jean, 11, and Stephanie Lea, 9.

Herbert Zimmerman—Chief Defensive Coach

Coach Herbert Zimmerman is starting his fourth season at Baylor, his second as chief defensive coach.

His famed "Chinese Baptists" defensive platoon was one of the revelations of the 1963 Southwest Conference season, having as much to do with Bruin success as any other one thing, and compiling one of the fine defensive records in "clutch" situations in all Baylor history.

Defense was Herb's long suit as a player when he was a top lineman for fine TCU teams of the early 1950s.

Herb won All-Conference honors and strong All-America consideration as a standout middle guard in the rugged defensive line of the TCU team when the Horned Frogs won the 1951 Southwest Conference championship.

Baylor fans remember him well, for the great game TCU and Baylor played in 1951 which decided the Conference title, Baylor losing the game and winding up only half a game behind in final standings. Both played in bowl games.

Coach Zimmerman had one other memorable experience—he played high school football under the one and only Catfish Smith, Baylor's very successful frosh coach, when Catfish was the almost unbeatable coach at Mt. Vernon high school.

After graduating from TCU in 1952, Herb served three seasons as assistant at Weatherford, then was head coach five years at Mt. Pleasant, with a 31-20-2 record. He and Mrs. Zimmerman have two sons, Scotty, 10, and Tommy, 6, and a daughter, Debbie, 9.

Jack Thomas—Ends and Linebackers

Ready for his second season as a very valued member of the Baylor staff is Jack Thomas, coach of defensive ends and linebackers, who also serves Coach Bridgers as a busy administrative assistant.

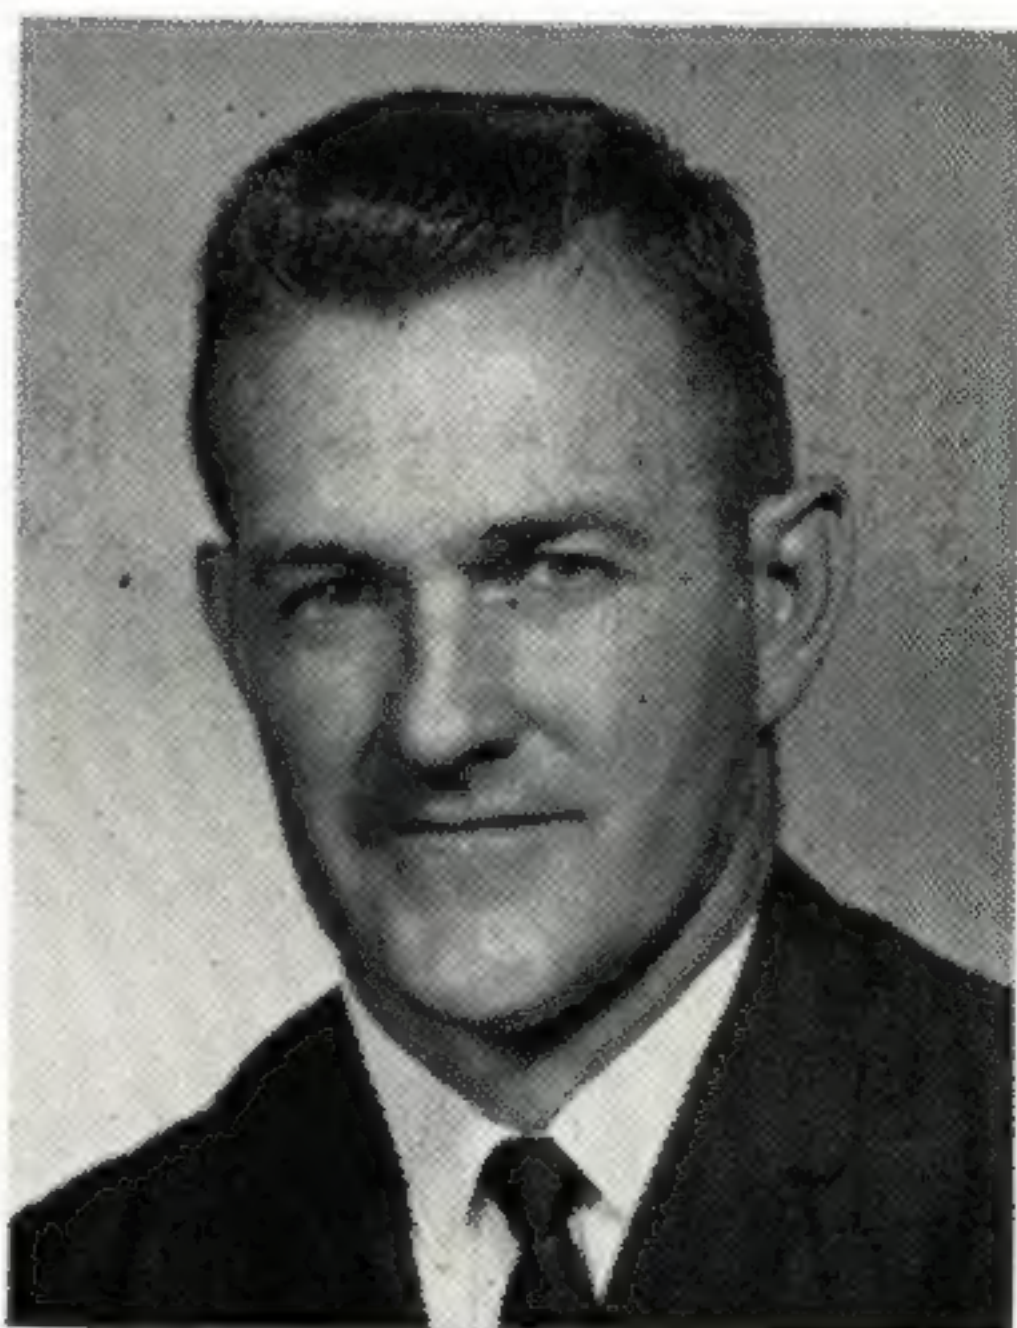

Coach Thomas, a veteran of 16 coaching seasons, 12 of them in college ranks, was a big help with the "Chinese Baptists" last season.

A native Texan, he was an end and tackle at Luling High School, then played freshman football at Baylor in 1942. When Baylor discontinued football for two wartime years, Jack transferred to Tulsa University, where he was starting guard on three Hurricane teams which compiled a 35-7-1 record and played in three bowls. He graduated in 1947.

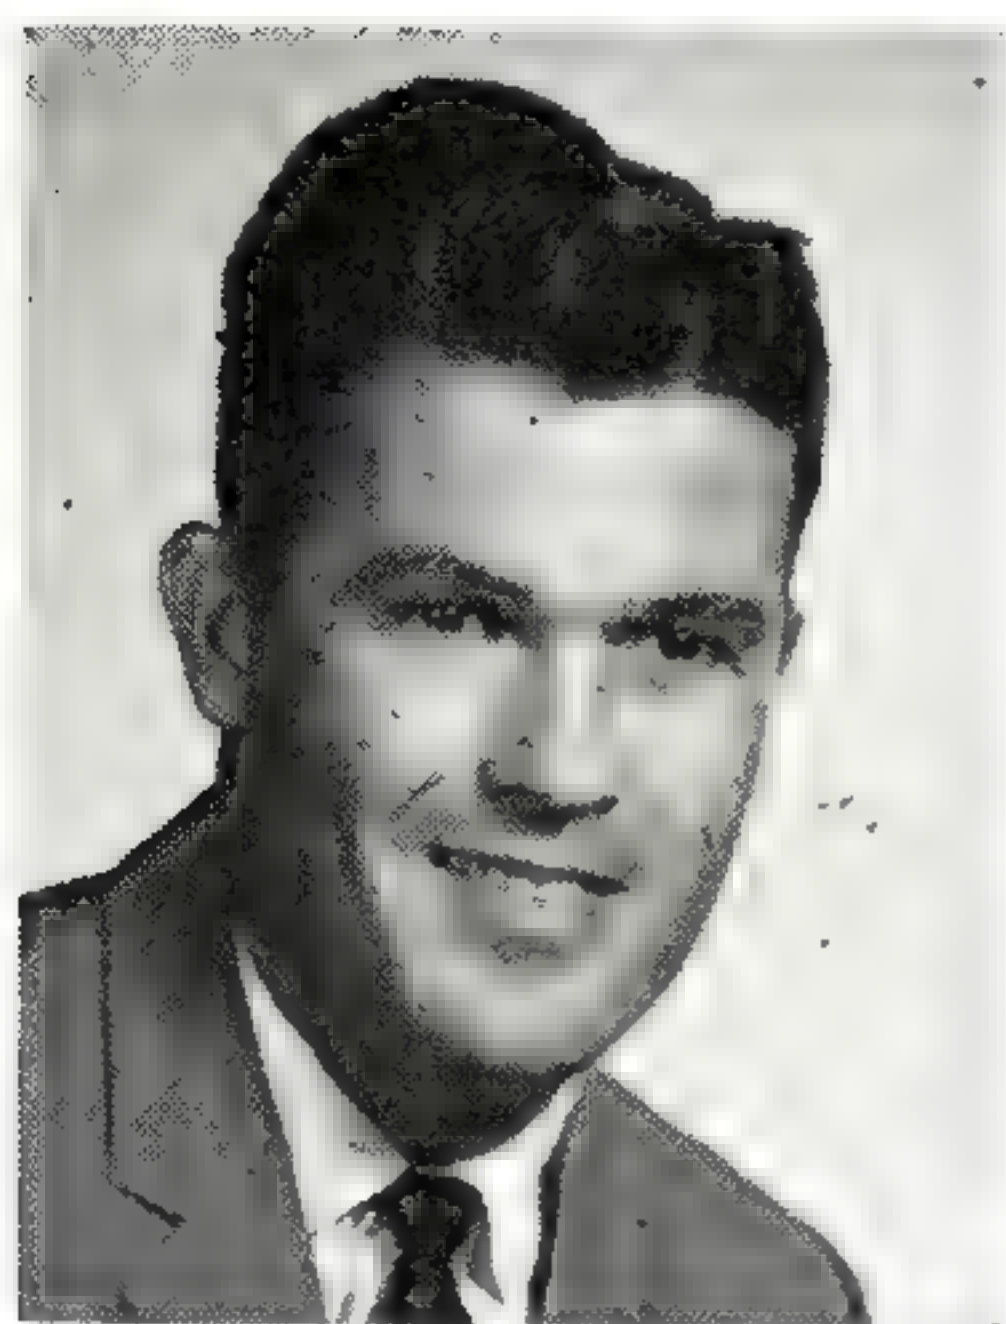

After a season with the Los Angeles Rams, three years high school coaching at Seguin and 19 months in service, Jack was line coach at Trinity two seasons, later line coach at Mississippi Southern three years and 1961 defensive line coach at Texas A&M. He was head coach at Hardin-Simmons in 1962.

His sister, Betsy, was a 1945 Baylor graduate. An uncle, Payton Thomas, played center on Baylor's 1915 Southwest Conference Champions.

Coach and Mrs. Thomas, the former Betty Ann Glaeser of Seguin, have a daughter, Linda Kay, 8, and a son, Jav, 6.

C. H. (Pete) McCulley—Backfield Offense

C. H. (Pete) McCulley is entering his second season as Baylor's offensive backfield coach, has had four prior years of coaching at other colleges.

Coach McCulley is a 1956 graduate of Louisiana Tech, where he was an all-conference quarterback and took Louisiana Tech to a 9-1 season as a 1955 senior.

Earlier, Pete was an all-state quarterback for Istrouma High School of Baton Rouge, La., leading the team to the state title in 1950.

He earned four letters at Istrouma and three at Louisiana Tech.

Pete began his coaching career at Menard High School in Alexandria, La., was there for two and one-half years as backfield coach. Then he served a year as assistant coach at Bastrop, La. High School.

Pete was backfield coach for the quite successful Stephen F. Austin State College team for the next one and one-half years before moving to University of Houston where he served two years as backfield coach before the Cougars changed head coaches.

The next year he was head coach at Bastrop, La. High School, then joined the Baylor staff a year ago.

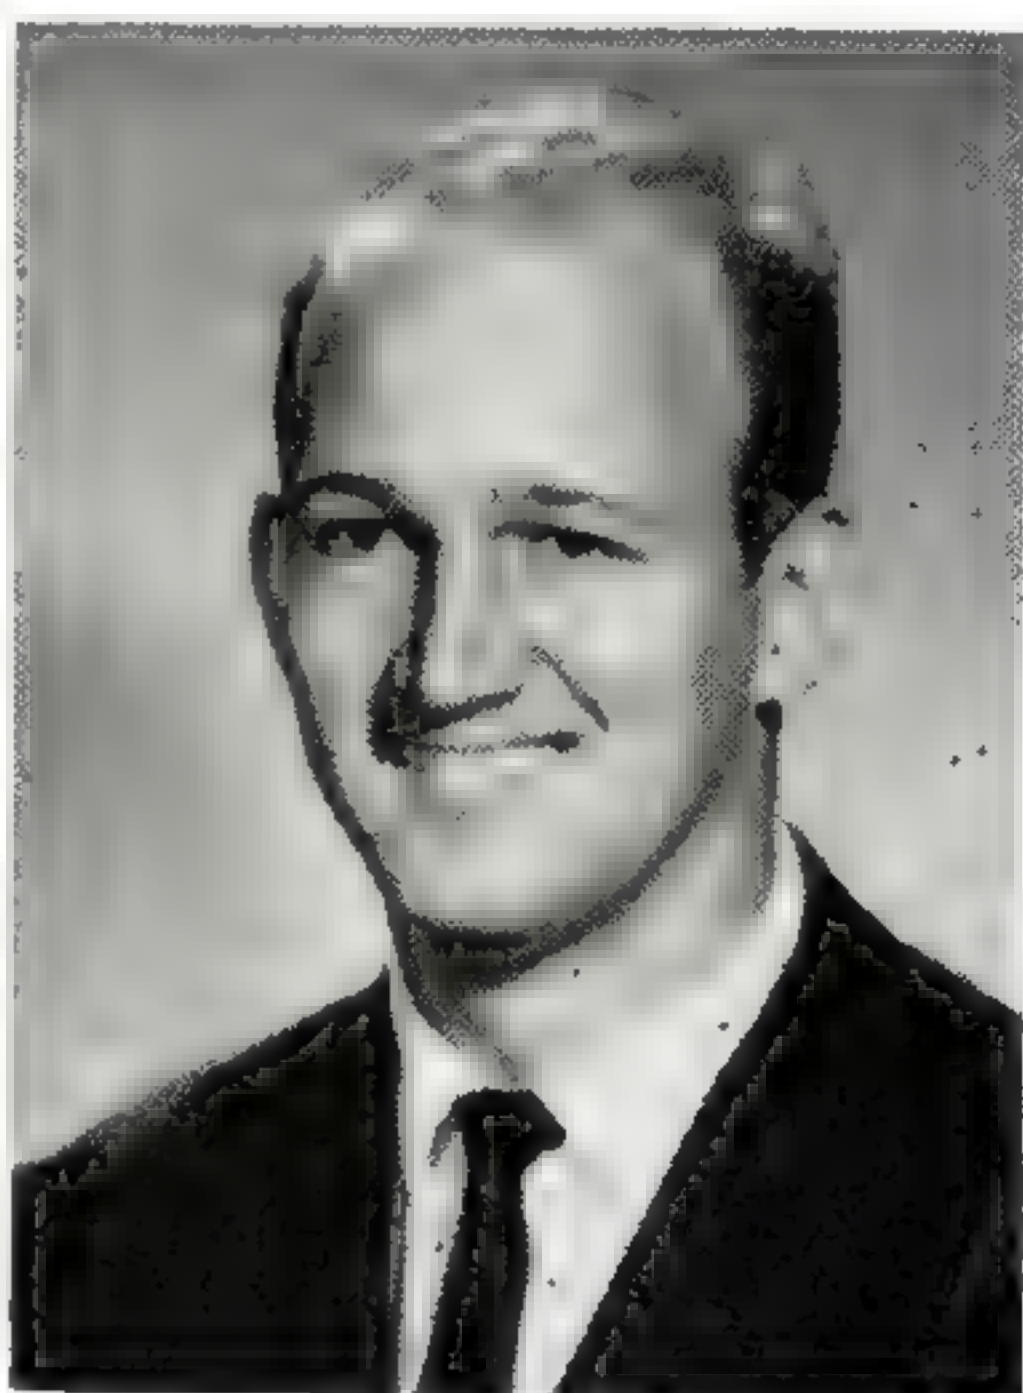

Coach McCulley is married to the former Nettie Disch of Baton Rouge, La. They have two sons, Billy, 12, and Kit, 7, and one daughter, Kim, 6.

Taylor McNeel—Backfield Defense

Taylor McNeel is the newest member of the Baylor football staff, coming to the Bears from Louisiana State University's football staff, one of the finest strongholds of stingy defensive football in the nation.

Coach McNeel is the new backfield defensive coach for Baylor, and comes highly recommended by several head coaches from over the South.

He has gained all of his coaching experience as an assistant on splendid Louisiana State University teams, serving the Tigers for the past four years.

A native of Philadelphia, Miss., Taylor played high school football at Pineville, La. where he was quarterback four seasons. He also earned three letters in basketball, four in track, one in baseball, was all-state in football.

He was starting quarterback three years at Louisiana Tech in Ruston, La., graduated in 1960. Tech won conference titles his last two seasons there. He also won three letters in track, was track captain.

At LSU, he coached offensive backs in 1960 while earning his Masters in Educational Administration, then was a defensive coach the next three years.

Coach McNeel is married to the former Anne Chaffin of Dallas, a 1960 Baylor graduate.

Catfish Smith—Freshman Coach

Milburn A. (Catfish) Smith has been Baylor's freshman football coach for five seasons, with consistently fine success while annually playing a rugged schedule against none but freshman teams of other Southwest Conference schools.

One of the best known coaches and sportsmen the state has ever known, Catfish has been one of Texas' most consistently successful coaches.

He is just as famous for his sharp wit, is in demand as an after dinner speaker.

Coach Smith starred in four sports at East Texas State College, graduating in 1934. He was a well-known semipro baseball star for many years, while serving in the winters as a successful high school coach. In his first year of coaching, he took the basketball team from tiny Carey, Texas to the state semifinals, the next year won the state title. He and his Carey team were guests of honor at the 1963 state tournament.

After four successful years at Borger, Texas, he saw Army Air Force wartime service, then coached at Mt. Vernon, Texas, where he had a 26-game win streak, won six district and three region titles in football in seven seasons.

Recalled to East Texas State, he had a 30-game win streak, played two bowl games, had just two losses and one tie in three seasons. He then coached with success five years at Longview, was President of Texas High School Coaches Assn, before coming to Baylor. He and Mrs. Smith have two sons, Ronnie, 17, and Jimmy, 12.

B. M. (Bill) Menefee—Basketball Coach

Bill Menefee took over basketball reins at Baylor when the cupboard was bare. His first squad had graduated four starters and the top reserve. His second team started three sophomores and one transfer.

This winter, his fourth Baylor team will have some height, an experienced front line, but must get its speed, its guard strength from newcomers, could have more firepower and depth than its predecessors.

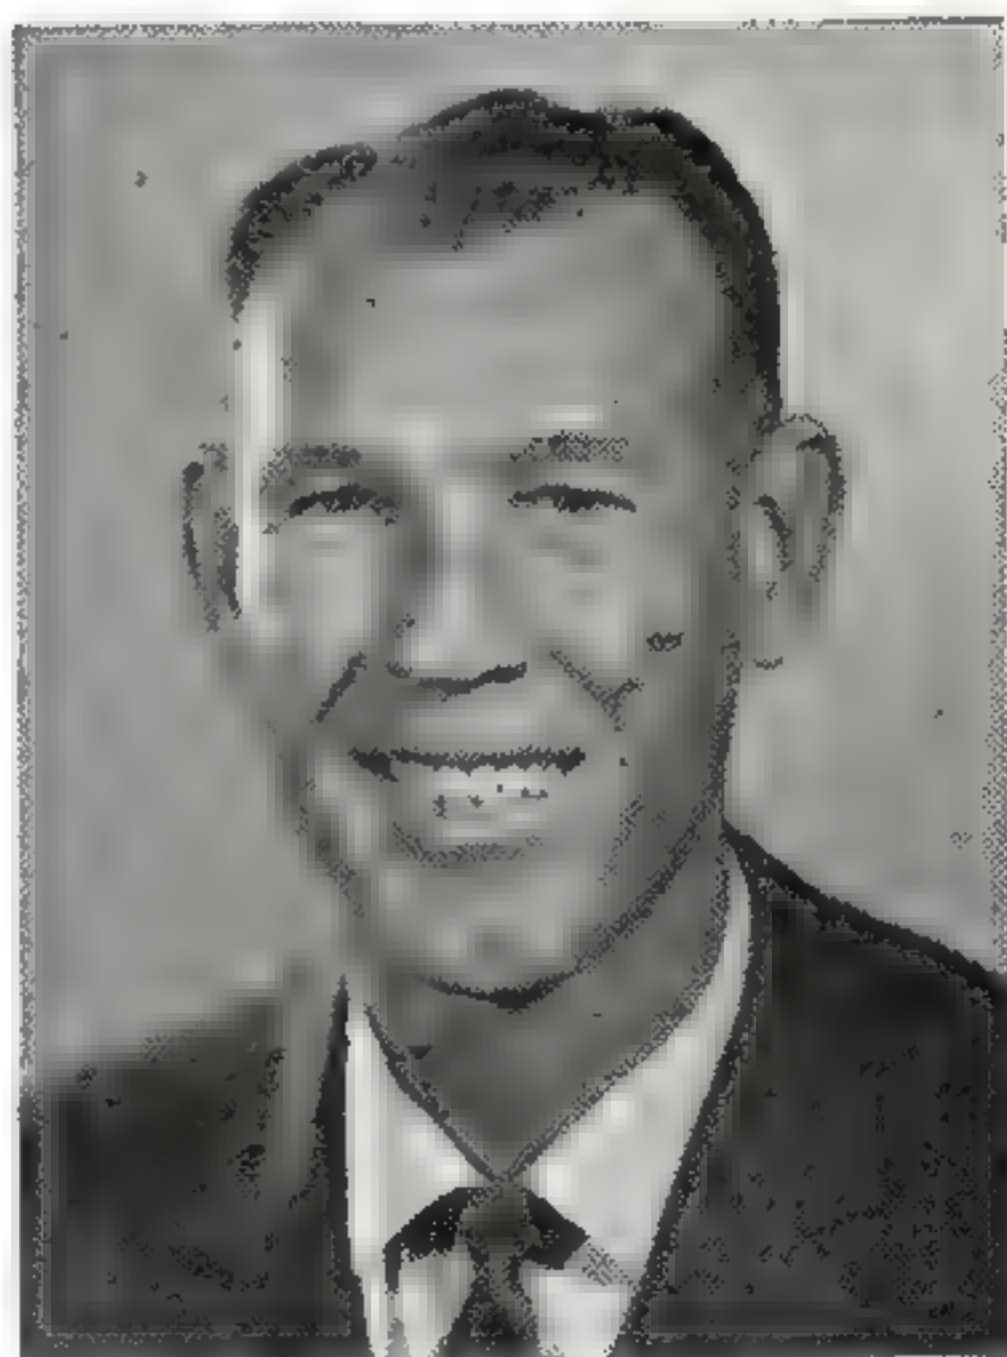

Bill Menefee was an All-America on the NAIB first team in 1943, his senior year as a high-scoring forward for North Texas State University. Bill was captain at North Texas his last two seasons.

After graduation, Bill served as a Marine company commander in the Pacific Island invasions in World War II, won the Bronze Star medal.

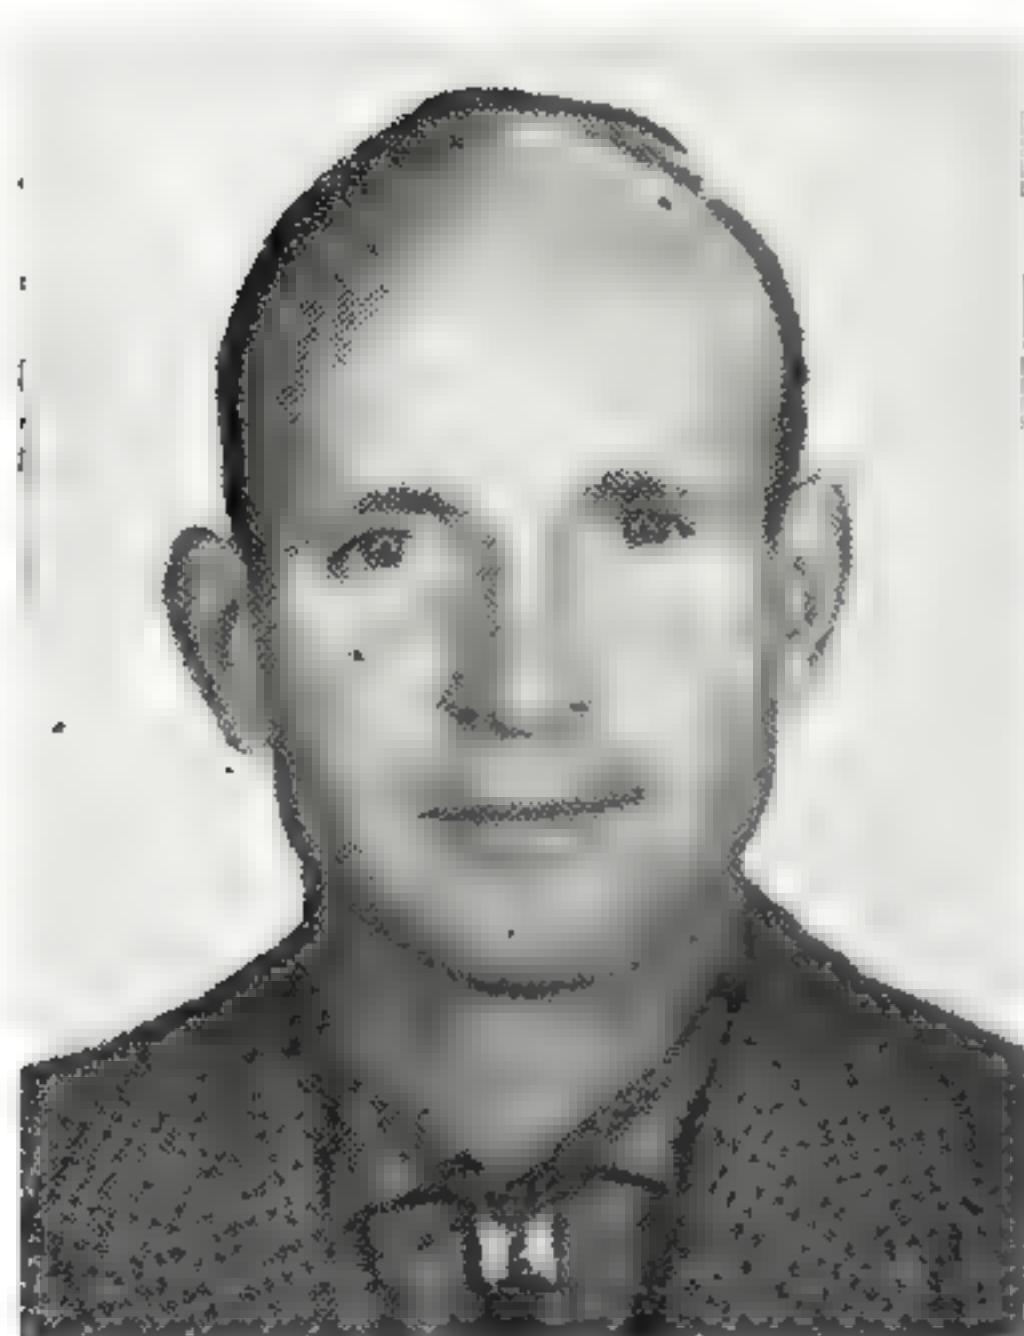

Out of service, he returned to North Texas State to take his Masters degree in Physical Education, then joined the Baylor faculty as a Physical Education instructor.

He also was varsity basketball assistant for 14 seasons, before taking over as head coach. For the first 10 seasons he also was freshman coach, gaining a fine 68-50 record.

Coach and Mrs. Menefee have a son, Pete, 20, a Baylor varsity football center, and a daughter, Carol, 14.

E. E. (Dutch) Schroeder—Baseball Coach

Coach Emil E. (Dutch) Schroeder, varsity assistant for consecutive 12-13, 15-7 and 18-4-1 seasons before taking over as Baylor's head baseball coach, has produced three fine teams in as many seasons.

He also had produced several winning freshman teams while serving as varsity assistant. In first year as varsity head coach, he had a splendid 17-7 season and 9-5 Conference record for third place despite losing his top four hitters and three leading pitchers.

The second year, minus two top hitters and two top pitchers, he still compiled a fine 13-11 season and 7-8 in Conference. This past season was his finest, however. With most of his starters gone, his speed and hitting graduated, he took two senior pitchers and a group of sophomores, contended strongly for the title, finished tied for second with 18-7 record and 10-5 league mark.

He loses those two pitchers, who won 13 games between them, plus starting catching and right side of his infield, but could be still better next year.

Dutch is a Baylor product. He was a star catcher—outfielder both at Austin, Texas High School and at Baylor, with wartime service in between. He graduated from Baylor in 1949.

He played five pro seasons with Temple in the Big State League, also was a successful coach in high school those same five years at Temple. Then he moved to Austin where as coach at Travis High School he won one state title and three district championships.

Coach and Mrs. Schroeder have two daughters, Becky Sue, 14, and Emily Ann, 12, and one son, Tim, 9, the cutest batboy in the Conference.

Odis Beck—Golf Coach

Odis Beck has produced consistently successful Baylor golf teams in the 11 years that he has served as the school's links coach.

His 1964 team had a rough start but finished well, with Senior Joe Pat Rickett taking sixth in the Conference medal title playoff. Odis' 1963 team was a strong second in the race for the Conference team title. Rickett is the only 1964 graduate.

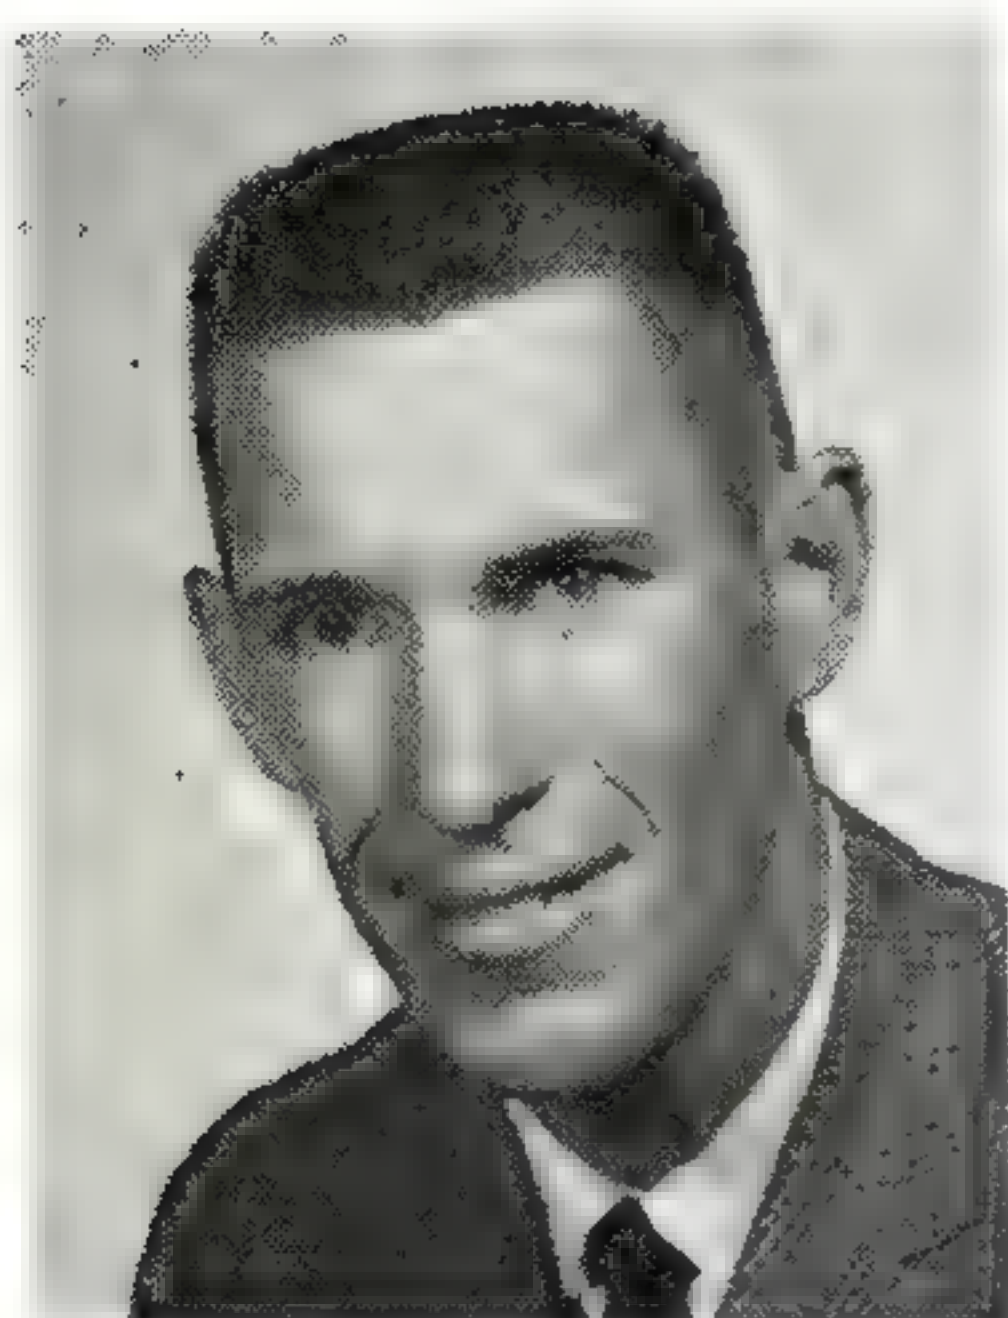

Rickett finished well in the Conference medal title playoff all three seasons.

Coach Beck also is the head golf pro at the Ridgewood Country Club, whose members permit the Baylor University golf team to use the course for regular practice as well as home course for all their matches.

Odis attended North Texas State University where he competed both in basketball and track as an undergraduate. Then he took up golf, was a successful player and teacher. He was golf pro at two Fort Worth courses, ZBoaz for six years and then Ridglea for three years before coming to Ridgewood.

Clyde Hart—Track Coach

Clyde Hart has come home to Baylor University, where he was captain and star sprinter and relay man for the man he succeeded, Jack Patterson.

Coach Hart's track forces were beset by injury in his first Baylor season of 1964. But they surprised in the Conference meet by finishing fourth when picked for sixth, and his freshmen also surprised with a strong second-place finish.

Along the way, the Bears won the Fort Worth Recreation Meet and the Little Conference Meet in Dallas. Captain Frank

Mazza became the first Southwest Conference varsity shot putter in history to top 60 feet, won the Texas Relays shot title, while teammate Jim Lancaster won the Conference shot title and Drake Relays title.

Coach Hart brough his own winning tradition to Baylor from Central High School of Little Rock, Ark., where in five years he won five state track titles and five state cross country championships.

Clyde was state 100 and 220 yard champion of Arkansas while at Hot Springs High School. Then at Baylor he set school record of 9.3 in the 100, ran on 880 relay team that won the 1956 triple crown of titles at Texas, Kansas and Drake. That same spring he ran on the Baylor 440 relay team which tied the then world record and won the Conference title.

His Central High teams won 58 of their 60 meets in five years, including their last 40 straight. He and his wife, the former Maxine Barton, also a Baylor graduate, have one son, Greg Patterson Hart, 4.

Dr. Herbert Schwetman—Tennis Coach

Dr. Herbert Schwetman is the famed Chairman of Baylor University's Physics Department. He also has served as the Baylor tennis coach for the past four seasons, meeting with fine success against the best in the Southwest.

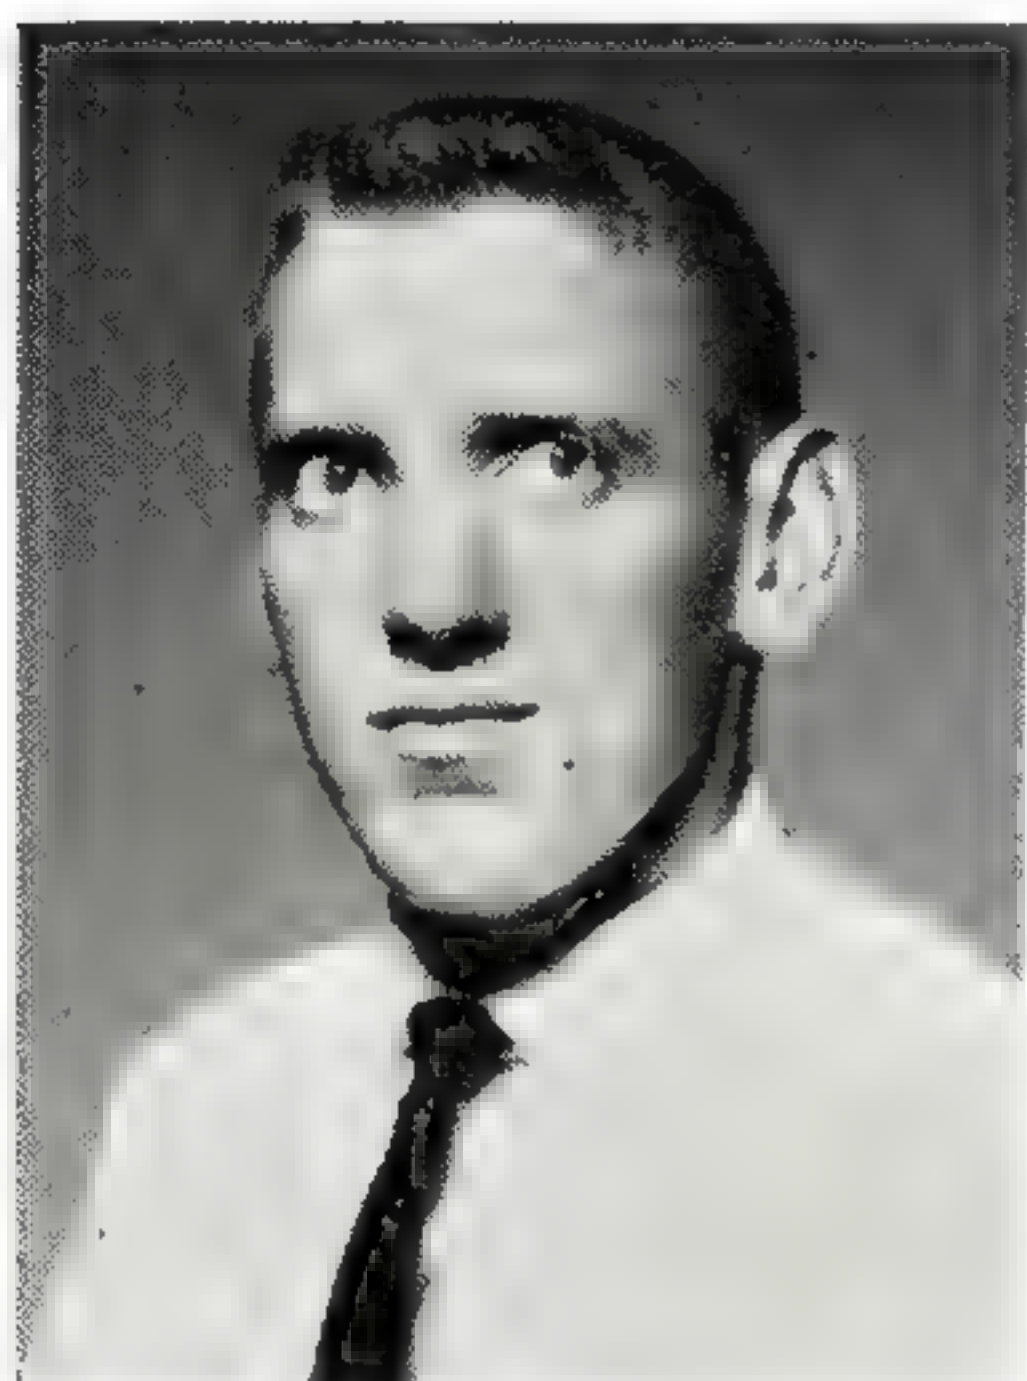

His very youthful 1964 team was a pleasant surprise, gaining a 9-9-2 record against top opposition, while his 1963 team compiled a 9-7 record in dual matches. The Bears annually play strong Southwest Conference teams as well as such perennial powers as Trinity, Corpus Christi, Houston, Lamar Tech, East Texas and Pan American.

Nearly all of his 1964 netters, a squad listing eight members, will be back in 1965 for what should be a still better season.

Dr. Schwetman is a 1932 Baylor graduate. He also holds degrees from University of Texas and Harvard. During his early years as a teacher he taught at Waco High School, where he also was tennis coach. His Waco High teams won two state championships. Dr. Schwetman also is a very active player, for years has ranked high in state tennis ratings.

Sam Ketcham—Athletic Trainer

Sam Ketcham is the new head athletic trainer for Baylor sports teams, succeeding Weaver Jordan, who resigned after 10½ years at Baylor to enter private business.

Sam also will replace Weaver as assistant track coach.

Sam, 26, comes to the Bears from Texas Christian University, where he graduated in 1961.

Ketcham has served as assistant trainer at TCU the past three years, before that was student trainer two years at TCU and before that student trainer at Victoria Junior College for two years.

Sam was captain and top sprinter on the 1961 TCU track team. Before that he was sprinter and relay man with the national championship team at Victoria Junior College. During his sprint career he has best times of 9.6 in 100 yards, 20.7 in 220 and 47.8 in 440 yards. He served as assistant track coach as well as assistant trainer at TCU the past three seasons.

Sam is a native of Itasca, Texas, finishing high school at Fort Worth Technical High School, where he was a baseball letterman. He is married to the former Janice Kay Swogger of Lisbon, Ohio.

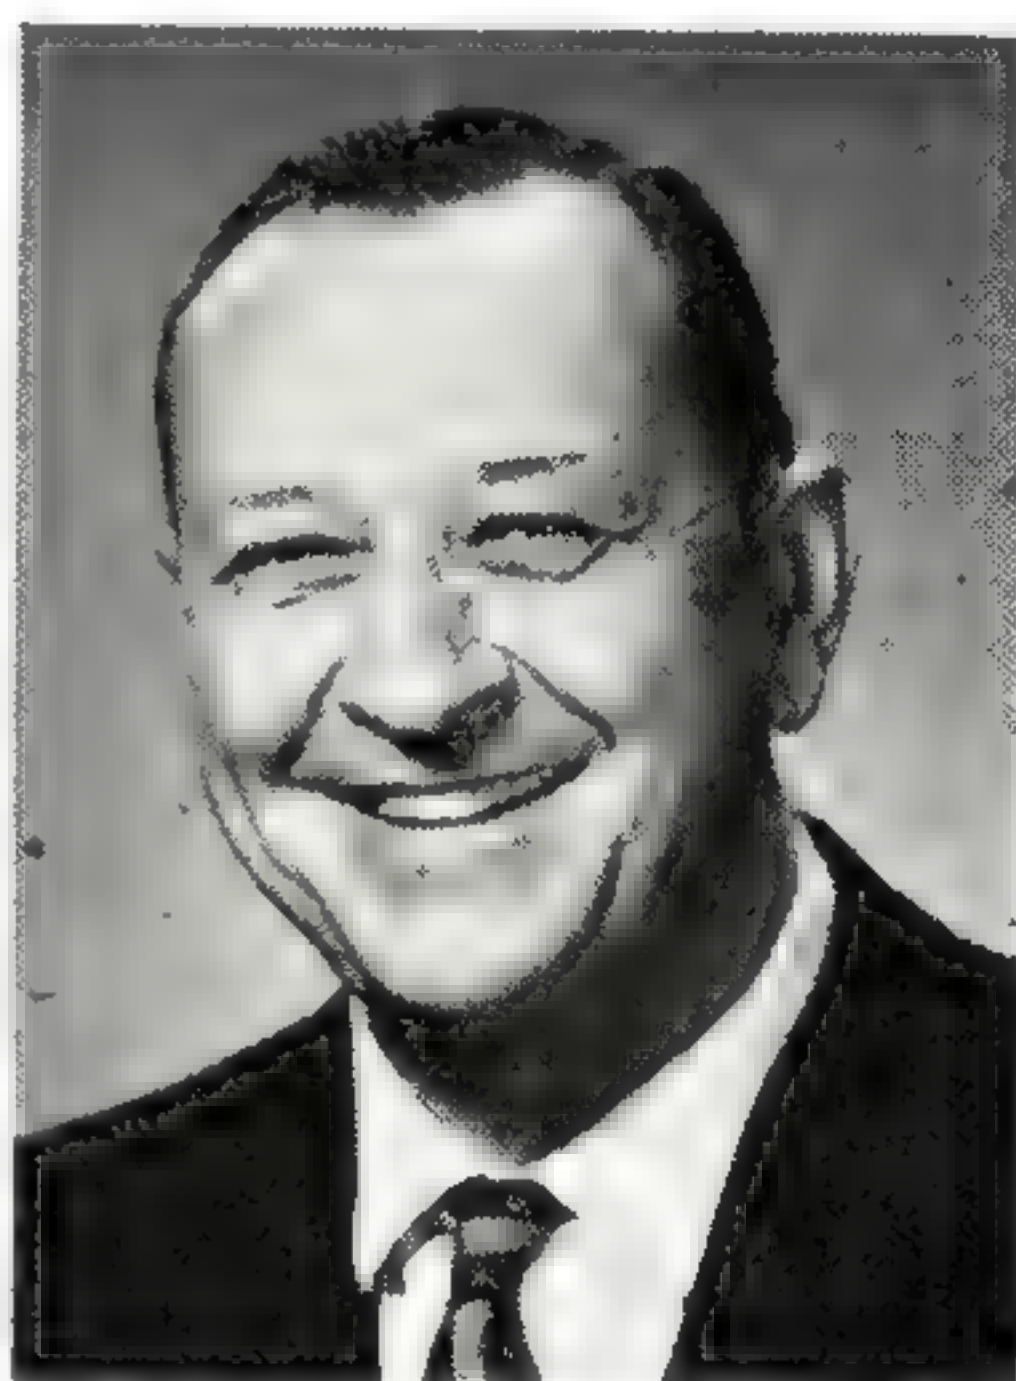

George Wright—Sports Information Director

George Wright is in his tenth year as Sports Information Director for the Baylor University Bears.

He was Sports Director of the Houston Press when he left that paper to take over the sports information post at Baylor. Prior to holding that job at the Press, he had been that paper's Sports Editor for five years, had been with the Houston paper 10 years.

Earlier assignments included five years in the San Antonio Light sports department, three years as Sports Editor of the Harlingen Star. A Rice University product, Wright earned letters in football, basketball, track in high school and college freshman ranks.

He and Mrs. Wright have three sons, John, an Air Force Officer and Baylor graduate, and George, Jr. and Fred, both college students. The latter two also already have been assigned to Air Force commissions.

The Freshman Crop

Baylor recruiters feel they got a good crop of freshmen this year, one with good balance among ends, backs and good size linemen. General feeling was that all Southwest Conference teams did well in recruiting, pointing to balanced varsity seasons in the next few years.

The Bruin recruiters signed about their normal number, signing 35 compared to 42 the previous year and 26 the year before that. There is a possibility that some listed as backs or ends will be moved to interior line positions, but no decisions will be made until coaches have a chance to see the boys on the field.

Head Coach: Frank Broyles (Georgia Tech—1947). Location: Fayetteville, Ark. Nickname: Razorbacks. Colors: Cardinal & White. Stadium at Little Rock: War Memorial Stadium (41,000). Conference: Southwest. Last Season's Record: 5-5-0. Sports Information Director: Bob Cheyne.

Standing with Baylor: Razorbacks have won 17, Bears 25, with no ties, since series began in 1904.

Razorbacks look capable of being back in title picture after one-year absence. Top three quarterbacks return, including Billy Gray, who hit 10 of 19 against Bears, Fred Marshall and Jon Brittenum. Of the 25 who played against 1963 Bears, 18 return, including seven starters, nine alternates. Linemen include two top stars, Linebacker Ronnie Caveness and all-purpose end Jerry Lamb.

OCTOBER 17

Texas Tech College at Waco—8:00 p.m.

Head Coach: J. T. King (Texas—1938). Location: Lubbock, Tex. Nickname: Red Raiders. Colors: Scarlet & Black. Stadium: Jones Stadium (41,500). Conference: Southwest. Last Season's Record: 5-5-0. Sports Information Director: Bill Holmes.

Standing with Baylor: Red Raiders have won 5 games, Baylor 16, with one tie game, since series began in 1929.

Red Raiders could be real sleeper this fall. Return 25 lettermen, including eight starters, plus eight from alternate unit, from team that whipped Bears all over field for 54 minutes last fall. Returnees include possibly Southwest's

greatest running back in Don Anderson, plus first two quarterbacks, top linemen in Linebacker C. C. Willis, Tackle John Porter.

OCTOBER 24

Texas A&M University at Waco—2:00 p.m.

Head Coach: Hank Foldberg (Florida—1957). Location: College Station, Tex. Nickname: Aggies. Colors: Maroon & White. Stadium: Kyle Field (41,820). Conference: Southwest. Last Season's Record: 2-7-1. Sports Information Director: Spec Gammon.

Standing with Baylor: Aggies have won 34, Baylor 18, with 8 ties, since series began in 1899.

Aggies appear to be on the way back up. They return 24 lettermen, lost only 11, get the graduates of splendid frosh team. Of those who played against 1963 Bears, five starters, seven alternates, 21 who saw service, return. Aggies are optimistic, expect more depth and speed and better passing. Dan McIlhany makes quarterback picture look its brightest in years.

OCTOBER 31

Texas Christian University at Fort Worth—2:00 p.m.

Head Coach: Othol (Abe) Martin (TCU—1930). Location: Fort Worth, Tex. Nickname: Horned Frogs. Colors: Purple & White. Stadium: TCU-Amon Carter Stadium (46,000). Conference: Southwest. Last Season's Record: 4-5-1. Sports Information Director: Jim Brock.

Standing with Baylor: Horned Frogs have won 32, Baylor 31, with 7 ties, since series began in 1899.

The Frogs expect to be improved, are looking for a better offense, featuring a tough running game, considerable improvement in pass receivers. Randy Howard and Kent Nix are expected to provide improved quarterbacking. Of the Frogs who led Baylor for three quarters last season, returnees include four starters, eight from the alternate team, 17 who played. Running backs Jim Fauver, Larry Bulaich could be outstanding.

NOVEMBER 7

University of Texas at Waco—2:00 p.m.

Head Coach: Darrell Royal (Oklahoma—1950). Location: Austin, Tex. Nickname: Longhorns. Colors: Orange & White. Stadium: Memorial Stadium (64,530). Conference: Southwest. Last Season's Record: 11-0-0, including Cotton Bowl win. Sports Information Director: Jones Ramsey.

Standing with Baylor: Longhorns have won 37, Baylor 11, with 5 ties, since series began in 1901.

The National Champions of 1963 have lost some real "hosses" from that great team, but the cupboard is far from bare for 1964. The perennial front runners will have back 27 lettermen. They have only three starters returning, for Texas teams usually start seniors. But the returnees also include eight from the alternate team, eight from the third unit, plus two injured who would have been 1963 starters, End Sandy Sands and Fullback Ernie Koy. Returnees include 9 of the top 12 backs of last season.

NOVEMBER 14

University of Kentucky at Lexington—2:00 p.m. (EST)

Head Coach: Charlie Bradshaw (Kentucky—1949). Location: Lexington, Ky. Nickname: Wildcats. Colors: Blue & White. Stadium: Stoll Field (37,500). Conference: Southeastern. Last Season's Record: 3-6-1. Sports Information Director: Ken Kuhn.

Standing with Baylor: Kentucky beat Bears, 19-7, last season in first meeting.

Wildcats, who "took it to" the Bears in resounding 19-7 victory last fall, might be best team 1964 Bruins face or close to it. The 1963 Kentucky team was very young, started six Sophs against Baylor. They return 8 starters, 8 from alternate team, 19 of the 25 who played against 1963 Bears. Rick Norton most effective passer Baylor faced in 1963, has most of top receivers back. Wildcats also have fresh talent coming up in great freshman team called finest in Kentucky history.

NOVEMBER 21

Southern Methodist University at Dallas—2:00 p.m.

Head Coach: Hayden Fry (Baylor—1950). Location: Dallas, Tex. Nickname: Mustangs. Colors: Red & Blue. Stadium: Cotton Bowl (75,504). Conference: Southwest. Last Season's Record: 4-7-0, including Sun Bowl loss. Sports Information Director: Junior Eldredge.

Standing with Baylor: Ponies have won 21, Baylor 18, with 7 ties, since series began in 1916.

Mustangs could be right up there this season, with bigger, deeper, faster team that fits Coach Fry's announced timetable. Eight starters, seven alternates return from last fall's dangerous team. Many tough defensive linemen are back, along with first two quarterbacks in Mac White and Danny Thomas, plus 9.3 sprinter John Roderick, Richard Stark, Jimmy Taylor and other speedy backs. Mustangs have had two excellent frosh squads in a row, could be dangerous.

NOVEMBER 28

Rice University at Waco—2:00 p.m.

Head Coach: Jess Neely (Vanderbilt—1924). Location: Houston, Tex. Nickname: Owls. Colors: Blue & Gray. Stadium: Rice Stadium (70,000). Conference: Southwest. Last Season's Record: 6-4-0. Sports Information Director: Bill Whitmore.

Standing with Baylor: Owls have won 20, Baylor 22, with two ties, since series began in 1914.

Many think this could be a really big year for the Owls. They return seven starters, 10 from the alternate team, which played against Baylor last year, 22 of the 29 who saw action in that game. Of the 12 backs who played that day, 11 return. The Owls could be a typically powerful good Jess Neely team, with good line size, strength and experience, led by great center Malcolm Walker, plus fleet, husky power backs like Paul Piper, Russell Wayt, Gene Walker, and Walt McReynolds to throw.

WELL-BALANCED CONFERENCE

The Southwest Conference is one of the best balanced leagues in the land, a circuit where the winner is difficult to pick. Over nearly any period the teams balance out quite evenly, and most members can manage close to a break even record in any set of seasons.

The last 10 years, for instance, have seen only two champions emerge with an unbeaten, untied league record, and there have been co-champions in three of these seasons. Because of the pressure of Conference competition, a member rarely gains an unbeaten, untied full season. Texas, the 1963 National Champion, was the first Conference member to go through a full season unbeaten, untied, since another National Champion, the 1939 Texas A&M team, at 10-0-0, had done so 24 years before.

Here is a typical period, the last 15 seasons, during which all eight members have all had good and bad seasons . . . for instance, over that period EVERY member of the Conference has finished last at least once.

	Won	Lost	Tied		Won	Lost	Tied
Texas	105	43	3	Rice	81	64	5

COAST TO COAST WITH BEARS

Baylor football teams normally range wide as they play an interesting intersectional schedule. Over the past dozen seasons they have played 10 games on the Atlantic seaboard, six games on the Pacific coast, as well as meeting other major foes at other far away points. During that dozen seasons, the Bears have compiled a 32-13 intersectional record, playing such teams as Washington, Miami, Maryland, Southern California, Pittsburgh, Duke, LSU, Colorado, Villanova, Air Force Academy, California, Oregon State, Nebraska, Washington State and others. Games of the near future will take them against such stout foes as Michigan State, Syracuse, Florida State, Indiana, Auburn, Georgia Tech.

HIGH-SCORING BEARS

Baylor's all-time winningest and highest-scoring team was the 1916 club which earned a 9-1-0 record and scored 314 points to opponents' 27. The 1916 outfit scored six shutouts. So did the 1915 Baylor team which was the Champion in the inaugural year of the Southwest Conference.

BAYLOR HOMES AWAY FROM HOME

Baylor footballers will make three overnight trips during the 1964 season. At Seattle, Wash. they will headquarter at the Olympic Hotel. They will stay at the Lafayette Hotel in Little Rock, Ark. and at the Phoenix Hotel in Lexington, Ky.

THOSE HARDY PERENNIALS

Here's why the Southwest Conference's two big state universities usually are picked among the title favorites . . . Over the past five seasons Texas has won 29 Conference games, Arkansas 26. Among the chief challengers, Baylor has won 18, Rice and TCU 17 apiece.

WHERE ARE THEY NOW?

Where are the Baylor football heroes of other seasons, particularly those who have been out of action for a number of seasons? Well, here are the current locations of several: (we'll add others in later books as we locate 'em)

Billy Patterson, All-America QB of 1938, is a prominent McAllen attorney.

Sam Boyd, Patterson's favorite receiver, is a well-known air conditioning firm executive in Cleburne.

Lloyd Russell, 1936 star and four-sport letterman, is head of Baylor's Physical Education department.

Jack Russell, great end of 1940-41, is a Waco business man.

Jack Wilson, star of the renowned 7-7 Baylor-Texas tie in 1941, voted the top all-time Southwest Conference upset, is with Owens-Illinois Glass in Waco.

Adrian Burk, All-America QB of 1949, is a prominent Houston attorney.

Larry Isbell, All-America QB of 1951, is with a cement manufacturing firm in New Orleans.

Buddy Gatewood, All-Conference center, 1942, is with an Oklahoma City oil firm.

Stan Williams, All-America end, 1951, is in the tire business in Waco.

Ken Casner, All-America tackle, 1951, is a coach in the Waco school system.

Joe Jack Pearce, All-Conference fullback, 1933, is a Waco school executive.

Jack Sisco, All-Conference guard, 1924, is a Waxahachie and Corsicana automobile dealer.

Sam Coates, All-Conference tackle, 1924, and All-Conference end, 1926, is a prominent Waco restaurant owner.

Ralph Pittman, All-Conference fullback and captain in 1924, is a well-known Washington, D.C. lawyer.

And 22 who have graduated since 1953 are playing pro football.
